Executive Director, Rob Hanson says “After some significant changes in the leadership and staffing of the West Broadway Coalition, we want to signal that we are stronger and more focused than ever on achieving the goals of our work. While the community is often working together, it’s important to gather in fellowship, to raise a glass to our collective achievements and enjoy each other’s company.”

“The Taste of West Broadway is just that.. A taste of who we are and the experience of what we all can be. It's an occasion of warmth, energy, connections, food and flavors that are poppin! You know I bring the flavors” - Lachelle Cunningham
